Self - Compliance Report

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC

Dear Sirs and Madams

As Material Manufacturer and a downstream user of chemical substances, we will meet our legal obligations and are already prepared to always comply with REACH regulation. In particular, we will be working close with our suppliers, to ensure that the raw materials used in our products are covered under REACH regulation and ensure that our production processes are not affected.

We hereby declare that at the present time, none of the parts which are produced and/or sold by AHenriques contain substances which are or is a candidate to the list of Substances of Very High Concern, SVHC.

We will immediately inform you should there be any addition to the candidate list, or new insight into substances which are already included.
